2421 Corunna Rd., Flint, MI 48503

Through the Retired Senior Volunteer Program (RSVP), senior individuals are provided many opportunities to volunteer their time. RSVP provides “match making” assistance to seniors seeking meaningful community volunteer opportunities. Volunteer sites include senior centers, local hospitals, the Crim race and many more.

## **Keeping Independent Seniors Safe (KISS)**

Through this program, opportunities to volunteer their time will be provided to senior persons regardless of income. KISS provides free, Monday through Friday, telephone reassurance services primarily to home-bound senior citizens.
